Laurence L. Cross of

the Soroptimist Club of Albany
sponsors an open forum on
Mayor Manager Form of Gov-
ernment, according to Minnie Lou
Cross, chairman.

Speakers will also participate
in the discussion of the pro-
perty manager form of govern-
ment in Albany. A question and
answer period will be conducted
by Mayor Cross' address.

President Nell Moore has ex-
tended a special invitation to presi-
dents of all Albany civic and
fraternal organizations to be present
at the speaker's platform.

Mrs. Eakin on the com-
mittee are Mesdames Freeda Bol-
ley, Ellis Olson, Bea Williams
and Nell Nelson.

Rev. Robert L. Benefiel of
Albany Community Methodist
Church will give the invocation.
The public is invited to attend.

City Speaker
ives Pointers
City Manager

Any Rotarians are giving the
new city manager form of govern-
ment in Albany more serious
consideration after hearing its
outlines recently by Allen
Grimes, an Oakland attorney em-
ployed by the City to revise the
city charter.

Speaking on "The Theory of City
Government," Grimes told
men and guests at the weekly
meeting that the manager form of
government would establish a cen-
tral administrative official, who,
in turn, would be responsible to the
City Council's direction and control,
would supervise and coordinate all departments of
the government.

Under the present Council sys-
tem, Grimes said, "there is no
central administration and the
city is charged with the responsi-
bility of administrative affairs.
It is inconceivable to expect the
efficiency from five City
men who operate their own
businesses to go down to the City
and run a one-million dollar business."

Answering the question "What
will keep the city manager from
being a little dictator?" Grimes
said that it would be impossible
for the manager to be elected by
a majority vote of the people
and serve at their pleasure.
Considering cost, he said the best
method of administrative efficiency
is to base it on unit cost of operation,
and \$5 to pay a square yard
in one year and only \$2 the
next year, the taxpayer is at least
getting a break. City managers are
constantly looking for ways to cut
costs, he said.

He said 96 out of 305 Calif-
ornia cities have adopted the man-
ager form of government, 38 in the
state. He said 68 of the cities
have populations under 28,000.

Young, general chairman of
the newly formed Committee for
the City, told members
of the organization
that it is the object of the organization
to make known to Albany citizens
all available and unbiased infor-
mation on issues which concern
them. He said the Committee's
membership had grown from 12 to
100 in the past few days.

Mrs. Robert O. Freeman,
Gill Court, are announcing
arrival of a son born January
22, 1950, at the Merrick Hospital weighing
8 1/2 pounds. The new arrival
is David Alan.

Registration Deadline

If good intentions were all that was necessary to register citizens for the coming election we would have a much heavier registration indeed. But good intentions, though they pave the way to a certain very warm locality, do not make a very acceptable substitute for action.

If you are among those who want to have a say in the Albany City Election on April 10, you had better register before February 15—that is, unless you have already taken care of that chore. If you have moved or changed your name recently through marriage, or if you failed to vote in the last general election or have never "bothered" to vote, it would be well to drop by the Albany City Hall at 1045 Solano Avenue and get yourself qualified for the April election. The registrar's office is open 8:30 a.m. to 5 p.m. Monday through Friday and will remain open next Tuesday and Wednesday evenings from 7 to 9. The office closes 12 noon on Saturdays.

There are eight top city officials to be decided upon, including three city councilmen, a city attorney, city judge, chief of police and two Board of Education members. Your vote will help decide them—your vote is important. Register today and vote April 10.

Clifford Lockhart, Philip Meads Seek Albany School Board Posts

Clifford C. Lockhart and Dr. Philip F. Meads, incumbent members of the Albany Board of Education, today announced their candidacy for re-election at the Albany City election on April 10.

Lockhart, now serving as president of the Board, has been a member since his appointment in 1948 to fill a vacancy. He is manager for Albany Safeway Stores and resides with his daughter and two sons at 639 San Carlos Ave.

A resident of Albany since 1928, Lockhart is a past president of Albany Lions Club and the Cornell Dads' Club and has served on the board of directors for both the Albany Chamber of Commerce and Albany Y.M.C.A. He served as committee chairman of Sea Scout Ship 49, and was Albany chairman for the 1950 Community Chest Fund Drive.

"My work on the Board of Education has been an opportunity and an experience that I have both enjoyed and appreciated," Lockhart said in his announcement.

"I am deeply interested in community improvements and in child welfare work. That interest has been and will continue to be, as long as I am a member of the Board, the basis of my decision and policies in my professional association with the Albany City Schools."

Meads, a senior research chemist for the California Hawaiian Sugar Refining Corp., has been a member of the Board since March, 1949, serving as vice-president since last November. He resides at 652 Key Route Blvd. with his wife and three children.

Meads has lived in Albany for the past five years and in the East Bay area all his life. He received both his B.S. and Ph.D. degrees at the University of California where he served as instructor in chemistry for three years.

"As a member of the Board," Meads said, "it is my philosophy that I have the responsibility to do all that I can, personally and professionally, to promote high educa-

Excerpts From The Avenues

By GENE EPPLER

Whether you're a youngster, an oldster or an "in-between" don't wait until Valentine's Day to let a certain someone know how fond you are of her (or him). But Valentine's Day does give you a good excuse (if you need one) to do it. So, whether you're six or 60, nine or 90, don't forget next Tuesday and the affectionate little reminders to your sweetheart, wife or whoever it is that holds the center of your affections.

Apparently Albany Firemen have no limit when it comes to saving lives or serving the public. Three hosemen this week gave a pint of blood each for an Albany lady seriously ill at Highland Hospital. Donors were Dick McSheehy, John Hritz and Robert Baker.

The Police and Firemen are now making plans for their Fourth Annual Ball to be held on St. Patrick's Day (March 17) at the Veterans' Memorial Building. Officer Clinton

Winner of Albany Bowl's Hi-16 Tourney was Richard Blume who rolled a gross total of 1663. With a good start of 201 and 222, Blume tailed off a bit with a couple of 181 games and then a 174. Just as the fans were beginning to think he was through, he smashed back in the last three games for 203, 208 and 193. Ed Cassina was second with 1658 and Hal Berg third with 1651. A new Double Hi-16 opened this week which will run through March 5.

We hear that Olin Douglas of the Douglas Pharmacy, Solano at San Pablo, is quite a stamp collector and that he sends all his extras along to the Vets at Oak Knoll Hospital. 'Tis rumored that Principal Milt Gordon of Cornell has an extra large collection of Yo-Yos. "Compliments" of the youngsters, no doubt. We're glad to hear that Mrs. George Hollfelder is feeling a lot better and is well recovered from her recent illness. We notice that Harold Denham finally got around to removing the "Merry Christmas" sign from over his Solano Ave. department store.

Did for John Pleich, who had a "Santa and reindeer" displayed on the roof of his home at Washington and Key Route.

The Pomona Ave. Goon Society—and that's the real name—met last week at the home of Mrs. George Good, of 1057 Pomona Ave., honoring Mrs. Good's mother, Mrs. Julia Sherck, visiting from Ohio. The Goons are composed of mothers of the 1000 Block, who meet about once a week. We're told the name was dreamed up as the result of an initiation at their first meeting. It's members are Mesdames J. H. Arnold, L. T. Johnson, O. R. Janke, Harold Farley, C. L. Stanley, E. T. Holcomb, F. Nicholas and Mrs. Good.

One of the first liquor stores opened on Solano Ave. after the repeal of prohibition is under new management this week. It's the Stier's Liquor Store at 1887 Solano Ave., opened 15 years ago by Irene Stier. New owners are Marguerite Schell and Jim McKnight. The new bosses have arranged for free parking for customers at the Shell Station, two doors down.

Mrs. Lenora Seation of the Albany O.E.S. was recently elected vice-president of the Leta Larson Warders' Association of the East Bay for 1950 in a business meeting held in Lafayette.

Emmett Devine, Albany superintendent of recreation, will be among some 600 recreation leaders attending the second annual California Recreation Conference in San Jose next week. Mark McCloskey, President Truman's official representative on recreation and welfare for the Armed Forces, will be principal speaker.

Evening School Offers Two Millinery Classes

The newly established Thursday evening millinery class with Mrs. Adelaide Fyfe as instructor is proving very popular, in the Albany Adult Education Center, according to Robert G. Dennis.

The class, conducted from 7 to 10 p.m. at the Albany High School, is still open for additional enrollees.

In addition to Mrs. Fyfe's evening class, the Adult Center continues to offer a Wednesday afternoon class in millinery, noon to 4 p.m., with Miss Elizabeth Darling as instructor. Miss Darling, who has been successful teaching adult classes in Albany for a number of years, will accept a few additional enrollees from those preferring an afternoon class.

The two millinery classes follow the same general course outline. Emphasis is placed on creativity, proper styling, color combinations and the selection of appropriate materials.

The instruction program covers the manipulation, shaping and blocking of felts and straws, the sewing of straw braids into hats, the wiring and sizing of hats to become the season's latest, the construction of trimmings and their use on different styles of hats, the styling of frame and fabric hats and the cleaning and remodeling of old hats.

All supplies are available at the Center at reasonable prices, Dennis said.

The use of "bonds" to reduce the \$16,000 debt on St. Alban's parish house was instituted at the annual meeting of the church held recently, according to Dr. Randolph C. Miller, vicar.

Frank Sibilia, chairman of the Building Fund Committee, said over \$5000 was subscribed by members during the first week. He said the "senior" bonds have promised to pay \$2 a month for three years; the "junior" bonds are for members of the church school at 25 cents a month; and "jumbo" bonds are for any amount over \$2 per month.

Reports for the year 1949 showed over 250 enrolled in the church school, 231 communicants and a budget of \$8000 was spent, in addition to all building and "vocational giving" expenses.

Wayne Hawkins was elected warden for a three-year term; William Price was elected clerk and Mrs. Martha Mardilla was named to the Bishop's Committee. Continuing members of the committee are Dr. Paul Bryan, Clarence Warrington, Mrs. Violette Sibilia, Mrs. Dorothy Fell, Mrs. Joyce Barnum, and Mrs. Myrtle Bryan. Retiring members are William Reasoner, Lionel Sandford and William Divine.

Frank Sibilia, Clarence Warrington and Mrs. Helen Sterner were named as delegates to the diocesan convention of the Protestant Episcopal Church meeting in San Francisco this week. Clay Lewis, Harold Fell and Mrs. Arvid Burman attended as alternates.

Albany Pack 50 Awarded First Prize in Exhibit

Awarded in competition with other Albany and Berkeley packs at the annual exhibit held February 3 and 4, this is the fourth successive year that Pack 50, sponsored by Albany Post 292, American Legion, has won the coveted first place.

Displays for Pack 50's exhibit were arranged by Mrs. E. D. Bonds and Mrs. Winston Schmidt under

Two Albany seamen, Warren S. Knapp, electronics technician, of 1107 Dartmouth, and Larry K. Miller, seaman apprentice, brother of Mrs. Leone V. Petty, of 1021 Stannage Ave., recently arrived in

the Mediterranean area aboard the destroyer U.S.S. E. G. Small. During their four-month tour of duty in this area they will visit many countries in the southern part of Europe and northern Africa.

direction of Assistant Cubmaster A. L. Bates. Crafts made by the Cubs were shown, with explanatory cards painted by Post Adjutant R. M. McAllister, who is institutional representative for Pack 50.

Pack 50 was re-registered with Berkeley-Albany Council Headquarters on February 9 by Committee Chairman George McDonald, Secretary Winston Schmidt and Cubmaster William E. Price. James R. Havens was listed as treasurer; William T. Dutton and Al Helzer

as committeemen and the following Den Mothers were named: Mesdames A. L. Bates, J. R. Havens, A. Helzer, H. L. Knott, B. L. Meyers, William Peluso and Harvey Smith.

Of the People

By the People

For the People

These are not words to be blithely thrown to the public as a political cliché. They came not from one who sought the public eye, but from one who quietly gave his life to the good of mankind.

The members of this committee do not pretend to that man's stature. If we can make those words more truly a part of the life of this city, we will have done our job. It is not our purpose to elect anyone. We are and will remain strictly non-partisan.

ALBANY'S PRESENT GOVERNMENT

There are three old forms of city government: The "weak-mayor" form, the "strong-mayor" form, and the commission form. The present Albany city government is the "weak-mayor," and is the least modern and effective of the three original forms. Under this system the mayor is the ceremonial head of government, conducts meetings, but has no administrative power other than that exercised by any of the five councilmen. This token administrative process is necessarily weak by reason of limited time and lack of coordination. All three of these forms of government are complex and subject to political control without benefit of being efficient.

THE COUNCIL-MANAGER GOVERNMENT

Simple, direct and democratic. The manager plan is strong at every point where the old systems are weak. It provides these two essentials: Control by voters and efficient management. Most public school systems, most business corporations, labor unions and other enterprises have exactly the same setup as the manager plan. The voters, stockholders or members choose a board to determine policy and to hire a competent executive to do the work. If the executive makes good, he keeps his job and gets a raise. If he fails, he is out.

MORE FOR THE TAX DOLLAR

The major expenditure of the city is for personnel—the coordination and efficient use of this personnel will effect a major saving. This, together with the lowering of unit costs of operation and a business-like purchasing procedure are items for your very careful consideration.

ANNOUNCEMENT

A public meeting will be held on the evening of February 16th in the Cornell School auditorium at which you are invited to hear outstanding and experienced speakers from other cities and to take part in the open forum that follows. This meeting is sponsored by the Soroptimist Club. We urge every citizen of Albany to be there.

24 hour refrigeration for less than 2 cents a day

If you were to pick out one of the "best buys" in your home today, you probably would choose your faithful food-saving, money-saving refrigerator. You keep it stuffed full of snacks of food and, like a

saving soul, it keeps meal left-overs savory and fresh for choice nibbling or another meal. On the average, the electricity for this food-saving refrigeration costs you only about 2 cents a day.

Summer Fruits and Berries are flavor-fresh delights for winter meals when stored quick-frozen in a Home Freezer. Wise food shoppers say—a Home Freezer pays for itself with food bargains bought and stored away.

It's a tough and rugged battle against winter's fury to keep your lights bright these days. More than 1000 men work early and late in freezing weather to keep water flowing and to repair the storm-damaged lines.

Precinct Leaders Named for Annual Red Cross Drive

Plans for the forthcoming Red Cross Fund Drive in Albany-Berkeley-Kensington were launched this week in a meeting of all residential area chairmen held at Chapter headquarters in Berkeley.

Americans who need help and Americans who want to help are brought together through the Red Cross," Mrs. Della Walton, Albany residential co-chairman said today in announcing the local precinct chairman.

Myrtle Moncrief was acting chef, and from beginning to end, the luncheon hour was memorable. Chatter seemed to be the order of the day, but toward time for leaving, Pres. Nell asked for business, and the group decided to use funds from the Soroptimist Variety Show of 1950 for purposes of Cancer Detection.

And now we ask your cooperation in our enterprise, and please save the date—April 29th—for that outstanding exhibition of local talent. Next meeting—Louise Stork, chairman of the day—regular meeting place—regular hour. See you then!
